Our Engagement Approach?

ProtoCon LLC

"Let's Build Together"

What does it mean to work with us? We focus in establishing trust, confidence, and provide the best experience possible. How do we do it? We start with transparency! Check out how we stand out.

Lean Operations

We operate in the 10/10/80 team breakdown.

- 10% of the team will be executive leaders. You will have direct access to leaders with years of experience
- 10% will be advisors. Shifting subject matter experts (SME) as needed
- 80% of the team directly engage in the project delivery activities. Hands-on-keyboards

Meet people with purpose and clear direction.

Verified Small Business

We operate in the DC, Maryland, & Virginia (DMV) area. We have established verification with the System for Award Management (SAM) with the federal government to enable participation into federal contracts. Thus granting ProtoCon legitimacy and trustworthiness to operate with the federal government. We are a certified SDVOSB. The owner brings leadership and dedication to duty from the Marine Corps to you.

No activity is outsourced outside of the United States.

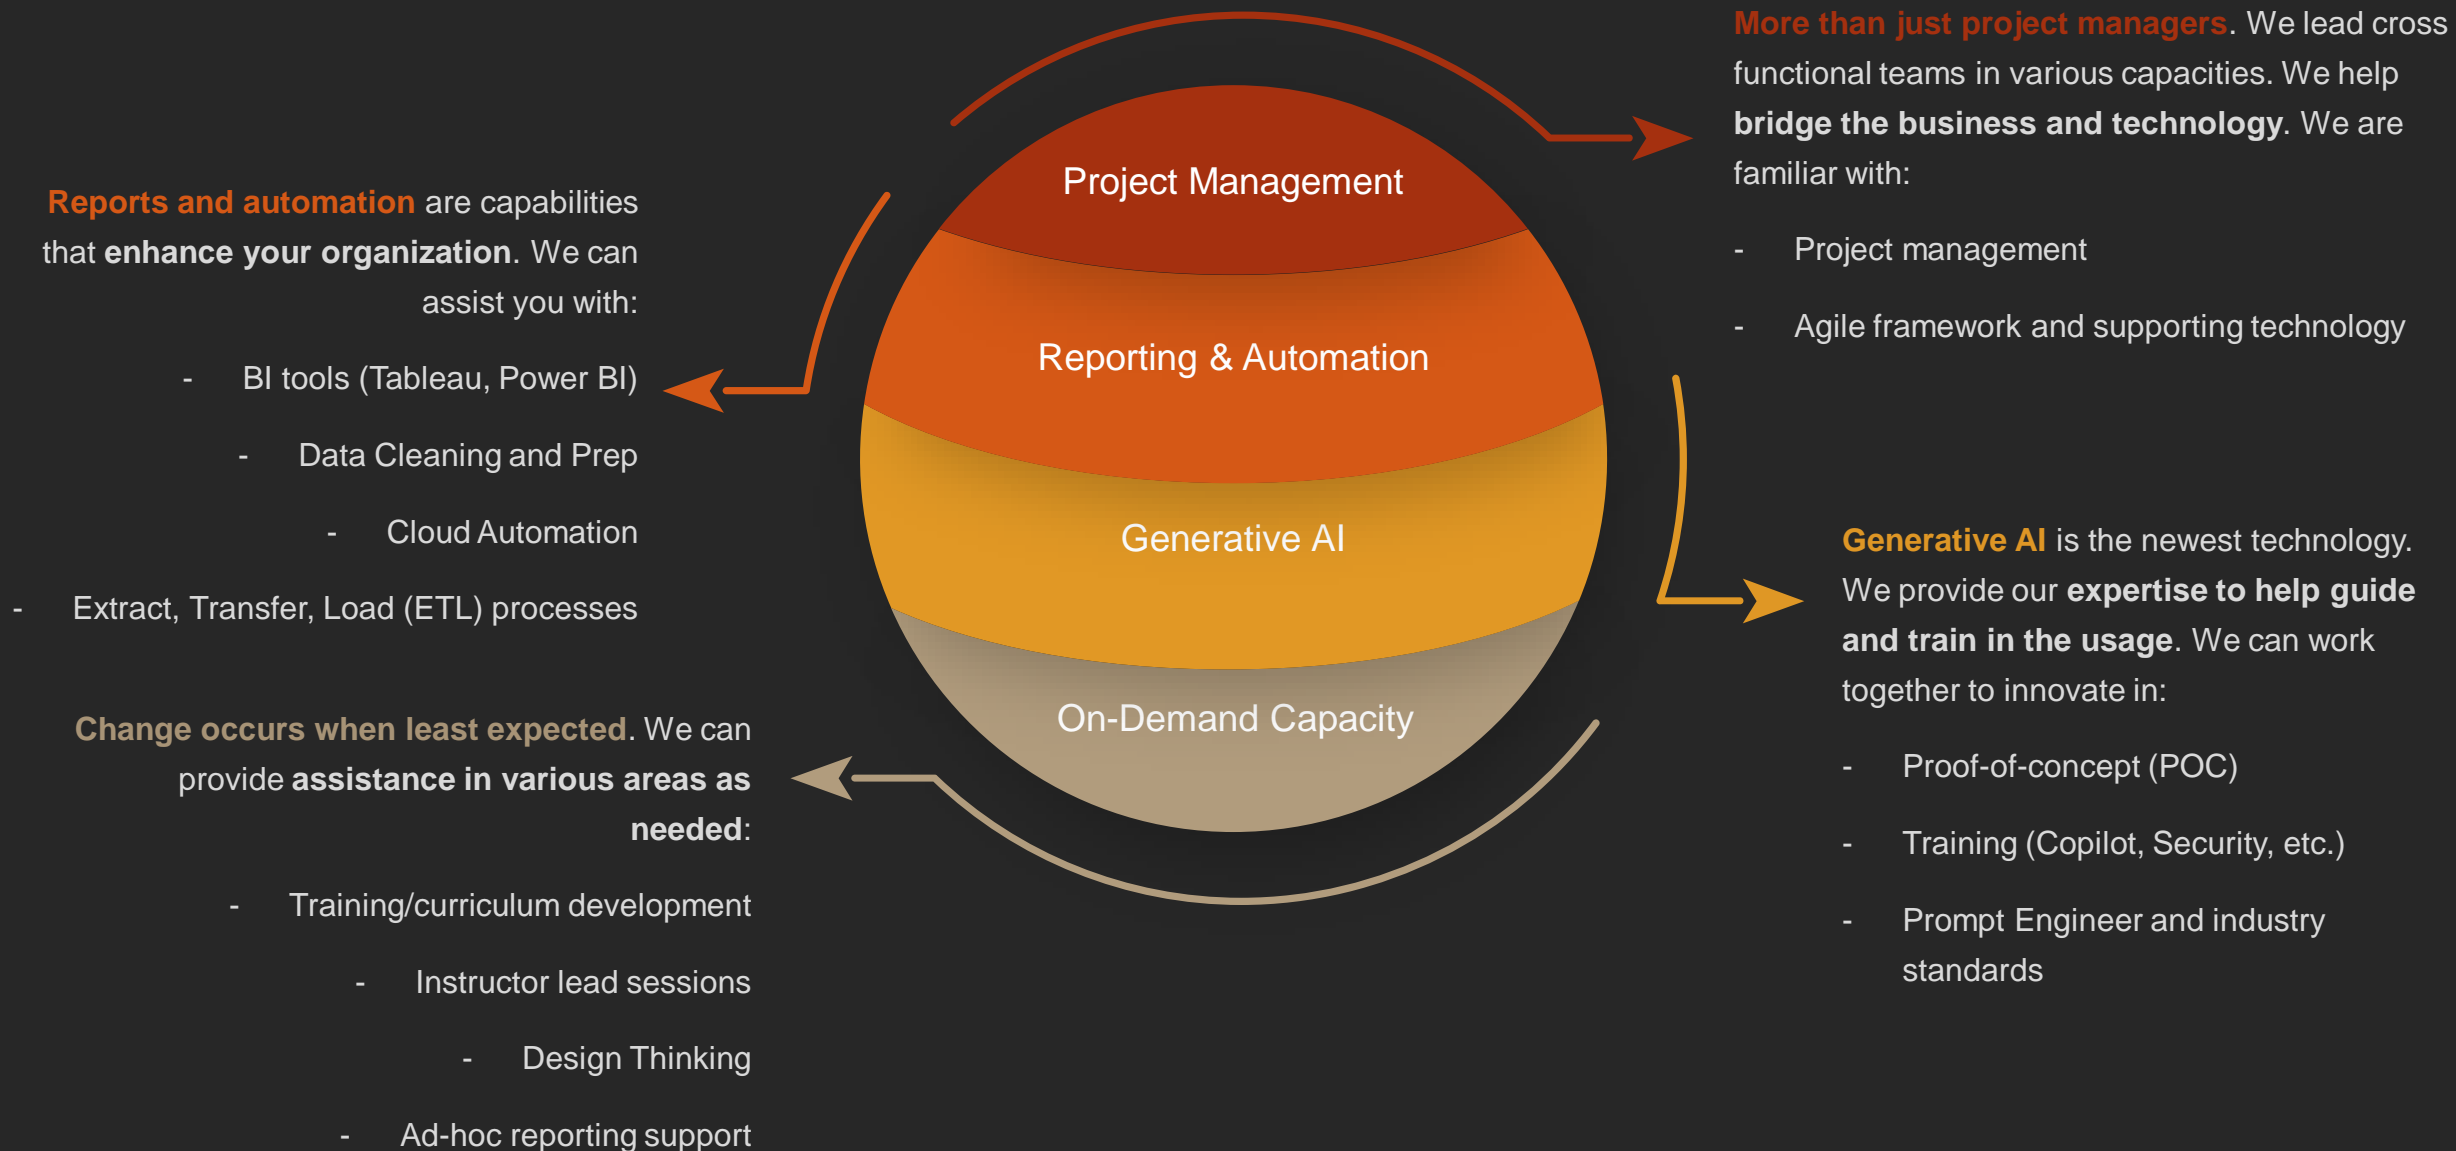

Dynamic Payment Model

We work together to find the best payment approach for you:

- **Monthly Fixed-Fee:** get charged the exact amount each month per-person. Discounts provided for long term engagement
- **Hourly Project-Based:** we stay to get the job done and leave you with the keys in hand.
- **Retainer:** we will not just disappear. We provide ongoing advisory services as needed

Based on 40hrs/week

Our Core Capabilities
