ProtoCon
"Let's Build Together"

WHO ARE WE?

We are a service-disabled veteran-owned small business (SDVOSB) focused on designing and building generative AI and technology solutions that are not only tailored to your organization's specific needs but also adaptable to the ever-changing technological landscape.

WHY CHOOSE US

Consulting Expertise

No one size fits all approach. We bring experience from the federal and commercial sector to combine standards and innovation.

Industry Certifications

We partner and obtain certifications to keep up with the latest standards from PMP, AWS, and Agile to provide assurance of our knowledge and expertise.

Transparent Advisors

We work together to create solutions, foster innovation, and hand you the keys when finished. Receive clear communication every step of the way.
